

BRIEF SUMMARY

I am a UI/UX Designer with a passion for creating intuitive and user-centric digital experiences. Proficient in Figma, Canva, and WordPress, I specialize in wireframing, prototyping, and visual design to enhance user engagement. With hands-on experience in graphic design and website development, I have worked on diverse projects, including branding, dashboards, and mobile apps. Additionally, I have expertise in Microsoft Excel for data analysis, along with a keen interest in machine learning and digital innovation. I am continuously learning and evolving, striving to deliver impactful designs and solutions.
